## Be a Music Booster – Become a Member of WSMA

WSMA supports the Wyoming City Schools music programs for grades K-12 in the enrichment of every student's musical experience by providing funding, volunteers, and publicity. WSMA serves the Wyoming City Schools by nurturing an environment of musical excellence that is a magnet for student participation, that fosters a life-long love of the musical arts, and that provides a rich cultural experience for our community.

## What Has WSMA Done for our Schools Recently?

- Purchased instruments, music room chairs and stands, band and choir uniform components, and more!
- Provided student scholarships for music-related trips.
- Hosted music enrichment programming featuring national and regional musicians.
- Organized Senior Arts Recognition Reception for students continuing their study of music, visual, and performing arts at the university level.
- Organized musical fundraising events like the annual Pancake Breakfast and Winter Music Festival.
- Met regularly with our music teachers to discuss and promote music in the schools.

## We hope you'll want to Be a Music Booster at one of the following levels:

- Member (\$40) – recognition in concert programs and quarterly e-newsletter.
